The Papa Prayer: The Prayer You've Never Prayed Larry Crabb

Learn the revolutionary way to talk with God!

Like millions of Christians, Dr. Larry Crabb has always considered his prayer life a weakness – "dull, intense only in crisis, occasionally meaningful and passionate but mostly lifelessly routine." But for everyone who struggles to pray in a way that matters, who is bored with prayer and doesn't know where else to turn, this groundbreaking book whispers of hope for change.

Something new and real and deep started happening in him, Crabb says, when he began practicing the four steps of what he calls the PAPA prayer – a revolutionary conversational approach to talking with and enjoying God. As this fellow seeker shares his journey and education in the mysteries of prayer, he guides us to see ourselves and God in a different light . . . which will alter the way we talk – and listen – to Him.
