Dying to Be Alive: Death as Spiritual Healer Linda Bonnington Vocatura

Born of the author's personal experience as well as her studies in Jungian psychology, this book takes the fundamental ideas in *Healing the Wounded God*, Which Vocatura co-authored with Jeff Raff, and applies them to life's most important challenge: developing soul-consciousness by becoming reconciled with the inevitability of one's death. Her ideas have collective implications as she sheds new light on the apocalypse predicted in Holy Scripture.
