Le Autorità indipendenti (Studi e ricerche) (Italian Edition) Antonio La Spina, Sabrina Cavatorto

Dopo l'iniziale proliferazione, a partire dalla fine degli anni '90, e la contestuale acquisizione di un ruolo sempre più rilevante nel sistema politico italiano, la vicenda delle Autorità indipendenti è contrassegnata oggi da una fase di ripensamento e da un tentativo di razionalizzazione. A questa riflessione critica il presente volume intende offrire un contributo significativo attraverso l'analisi empirica di aspetti salienti quali l'incisività dell'azione, il livello di autonomia, l'organizzazione interna, la cultura specialistica, l'attivismo e la visibilità dei vertici, il prestigio dei commissari, l'efficacia della comunicazione, il grado di attenzione politica suscitata. Tale impostazione di ricerca risulta particolarmente proficua nell'approfondimento di quattro casi fondamentali: Consob, Antitrust, Autorità per l'energia, Autorità per le comunicazioni.
