Move Your Office will help you manage a successful relocation and keep your job. Experts in the fields of office relocation and commercial real estate have defined the tasks associated with an office move and put them into logical sequence, making the relocation process manageable. The following key functions of a successful relocation are broken down into detail: Facility Selection, Lease Negotiation, Office Design and Space Planning, Moving Companies, Telecommunication, Voice and Data Cabling, Computers, Office Equipment and Furnishings. Action steps and Checklists are included to keep you on track every step of the way. As the top-selling commercial real estate guide, Move Your Office has helped thousands of companies manage their moves successfully. "On average, 2/3 of employees who are given the task of managing an office are fired or quit within 6 months of the move." Source: International Facility Management Association.
